30th September 2026

Dear Parents/Carers,

First Aid at Work Qualification – January 2027

I am pleased to let you know that we will be running a **First Aid at Work** qualification in school this January, and we would like to offer your child the chance to take part.

This is a nationally recognised qualification that gives students practical, potentially life-saving skills. It is **worth 8 UCAS points**, which can count towards the points needed for a university place.

This is particularly valuable for students hoping to study a healthcare-related degree, such as medicine, nursing, paramedic science, physiotherapy or midwifery, as it shows real commitment to the field on a personal statement. It is also open to any student who would like to gain the extra UCAS points or learn a useful skill for life.

Cost and payment

The course costs **£75.90**, payable through **Scopay**.

Places are limited and will be allocated on a **first come, first served** basis. Please note that **students will not be enrolled until full payment has been received**, so we would encourage you to pay as soon as possible to secure a place.

Course details

The course will run in school in January 2027. Confirmed dates and times will be sent to enrolled students nearer the time.

If you have any questions about the qualification, please do not hesitate to contact me.

Yours sincerely,

Mrs G Beddow
Head of Sixth Form
