Dear Parents

Can you please check your child's dinner account on Scopay and clear any outstanding amounts within the next 7 days. New rules and guidelines have been put into place from our 3rd party catering company that will be implemented over the coming weeks. Any pupils with an outstanding debt of more than **£15** will be unable to purchase food from the canteen.

If you need any further help regarding outstanding dinner debt, please contact me.

Many thanks,

Mrs Sara Bailey
