Monday, 05 October 2026

Dear Parents and Carers,

We are excited to introduce *Pupil Progress* which is our platform for keeping you fully informed about your child's academic journey. Please download and activate the free Pupil Progress App for your phone. To activate your account, you need to follow the instructions in the invitation email from Pupil Progress that will be sent to your personal email address. Further information about how to do this, including an instructional video, can be found on the Information page under Pupil Progress on the school website here:

<https://www.holyfamilyhighschool.co.uk/information/pupil-progress>

Throughout the next academic year, we plan to track your child's progress on this system and send regular updates. These will include both an overview and more detailed information for each subject, helping you stay connected to their learning and development.

Additional Support:

If you have any questions or require any technical support with the app please email:

pupilprogress@holyfamilyhighschool.co.uk

We encourage all students to download and activate the *Pupil Progress* app on their phones, in the same way that parents access the app through a link in the invitation email.

Learning Characteristics Report:

We place a high value on learning characteristics such as attitude to learning, effort in class, and homework completion. In the week following half term, we will be sending home the first report that will purely focus on the learning characteristics for your child. Please take note that no academic progress will be sent home at this point.

Thank you for your continued support.

Mr A. Rooney

Subject Leader for Computer Science and Data Lead

Score	Meaning
1 - Excellent	Your child consistently exceeds expectations and demonstrates highly effective learning habits.
2 - Good	Your child regularly meets expectations and demonstrates positive behaviours for learning.
3 - Requires Improvement	Your child demonstrates some positive learning habits but greater consistency is required to maximise progress.
4 - Cause for Concern	Significant concerns have been identified and additional support and intervention may be required to help your child succeed.
