This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

Jaguar Land Rover has announced it will hire around 300 apprentices in the UK in 2023 as the company continues to expand its talent pool as part of its transition to an electrified future. The hiring drive means over 800 people will join Jaguar Land Rover's early careers programmes in 2023, a 55% increase on last year's figure and a new record intake for the company. Jaguar Land Rover's early careers roles [open for application](#) in January, with around 300 apprenticeship places adding to undergraduate and graduate positions. [Read more here.](#)

LJMU STEP-UP PROGRAMME

Selected Year 9 and 10 pupils have been taking part in the Liverpool John Moore's Step Up Programme. The Programme is designed to introduce pupils to higher education. At the end of November, Year 9 had their first session with Sharon Roden from LJMU and learnt about what to expect from the programme and a background to LJMU. Year 10 pupils got the opportunity to have a tour around LJMU, take part in taster sessions and listened to the experiences of current students at LJMU. Year 11 will go on their first visit to LJMU in January.
