

# CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

## OPPORTUNITIES

Rolls Royce have now opened their **Higher and Degree Apprenticeships**. They cover Commercial, Engineering, Materials Laboratory, Procurement, Supply Chain Management, Digital/Technology, Manufacturing, Non Destructive Testing and Project Management. You can read more and apply here.

The deadline to apply for PwC's **Flying Start Programmes** in either Accounting or Technology is fast approaching. This is their degree programme of study. The deadline is 26th January 2022.

**How does some work experience at Europe's biggest bank sound?** If you're interested in a career in financial services, young professionals next virtual event with HSBC is something you're going to want to come along to. On Monday 24th January from 5:00pm - 6:00pm, they will be hosting HSBC's introductory work experience session as they take us through all their upcoming UK-wide summer work experience opportunities and how to best ensure your application can stand out and align to what they're looking for. You can register here.

Historic England

**Historic England is pleased to offer a virtual work experience programme a twice per year.** The three-day programme includes live content, talks from guest speakers and the opportunity to contribute to some of our work as we champion historic places to help people understand, value and care for them. All delegates will receive a certificate of completion of their work experience at Historic England at the end of the programme. The 2022 event will take place over three days and runs from Wednesday 23 February to Friday 25 February. Read more and book a place here.

## JOB OF THE WEEK

### Dental Nurse

Dental nurses help dentists to treat their patients and do reception work and other tasks in the practice. You can earn up to £30,615 per year and expect to work around 37-40 hours per week. There will be 8% more Dental Nurse jobs by 2026. You can read more about this here.

## LABOUR MARKET INFORMATION FACT

The World Economic Forum predicts that AI and automation will lead to the creation of 97 million new jobs by 2025.

However, people working in many existing jobs will also find their roles changing, as they are increasingly expected to develop their own abilities with AI technology.

Read more 2022 workplace predictions here.

## OPPORTUNITIES

St James's Place are running an Apprenticeship Open Evening on Tuesday 8th February from 430-6pm via Zoom. You can read more and register [here](#). Their apprenticeship programme will then open for applications on 25th March 2022.

EDT Industrial Cadets are a series of support inputs for students. Read about their offer for each year group below:

**Year 9:** A series of online courses unlock innovative thinking, improve independent learning, presentation and planning skills, boost confidence and enhance students' CVs. The knowledge and exposure gained will help them make more informed decisions about their future and for their UCAS application. Apply [here](#).

**Year 11:** Virtual Routes into STEM course offers an opportunity to explore college, university and apprenticeship routes, tour a variety of institutions virtually, work on exciting projects and have access to live career sessions and mentor panels with STEM employers. If you are enjoying your Tech, Design, Maths or Science subjects and would like to know what exciting future these subjects could lead to, then this course will help you discovering where your interests could take you. Apply [here](#).

**Year 12:** Insight into University residential courses run over 4 or 5 days where students get a taster of university life and an insight into a specific STEM subject. In summer 2022 these will include

- Maths at Lancaster University
- Materials Science at University of Cambridge
- Mechanical Engineering at UCL
- Robotics & Autonomous Systems at University of Liverpool
- Broad-based Engineering at University of Sheffield

Apply [here](#).

The Science Technology Research Council are running an Apprenticeship Evening on Thursday 10th Feb from 6-7pm. You will learn about their work, facilities and apprenticeship programmes. Book your place [here](#).

## EMPLOYER SPOTLIGHT

### British Airways

"At British Airways, we take huge pride in our past – but we're looking to the future as an airline that loves embracing the best of modern Britain. Our country's creativity, diversity, style, wit and warmth are the same special qualities that make us who we are. Now, we're looking to build on this spirit and passion to make tomorrow even better."

You can read more [here](#).

## UNI SPOTLIGHT

### Edge Hill University

"We have been crowned the Modern University of the Year in The Times and Sunday Times Good University Guide 2022.

The prestigious award highlights the University's continuous investment in the student experience, its quality of teaching, outstanding facilities and courses that are designed to meet the needs of employers in a competitive jobs market." Search their courses [here](#).

## LJMU STEP-UP PROGRAMME

Last week, some of Year 9 and 10 pupils took part in one of Liverpool John Moores University's (LJMU) newest programmes, Step Up. This programme will see them engage in a structured programme of activities from Year 9 to Year 11, and beyond. LJMU is committed to widening participation across all communities in our great city region. LJMU are experienced in operating fun, engaging and valued sessions to help pupils make informed decisions about their future education and careers, whatever their interests and ambitions.

## BENEFITS TO STUDENTS

Students who complete the 'Step Up' programme are guaranteed to receive a reduced UCAS offer of up to 2 A-level grades (or equivalent), compared to standard course entry requirements, should they subsequently apply for an undergraduate place at LJMU. There is a 1 A-level grade reduction (or equivalent) for entry to the Foundation Year of an undergraduate degree programme.

## Save the Date!
