Headteacher: Mr M Symes BA(Hons), NPQH

Thursday, September 18, 2025

Dear Parent / Guardian,

As we move into an important time for our Year 10 students at Holy Family Catholic High school, I would like to outline some of the key interventions and strategies which have been put in place, to help students develop in all areas and ensure the very best outcomes.

We have a wide variety of intervention sessions for students, both during and after school. We strongly encourage students to attend these sessions, as they are organised and run by subject specialists, who will help strengthen a pupil's subject knowledge and develop the skills needed to gain the very best outcomes at GCSE. Interventions are available to all students, but subject departments will also be targeting specific pupils who require further academic support. We expect students to attend intervention sessions when directed by teachers. This will help to build confidence, address gaps in knowledge and secure good progress moving forward.

Please see below our intervention timetable for 2025-2026. This can also be found on the [school website](#).

Days	<u>Year 10 Intervention – Week A</u> <u>3.15pm-4.15pm</u>	<u>Year 10 Intervention – Week B</u> <u>3.15pm-4.15pm</u>
Monday		
Tuesday <small>Late Bus</small>	Food / Technology / RE Astronomy	Maths Astronomy
Wednesday <small>Late Bus</small>	Geography / History / Drama / Languages	English
Thursday <small>Late Bus</small>	PE / H&S / Business / Dance / Music / Computer Science / ICT Lunchtime – Art	Science Lunchtime – Art
Friday	Lunchtime – Art	Lunchtime – Art

I hope your child recognises the benefits and utilises everything on offer this year. If there are any barriers stopping your child from accessing the academic support available, please contact myself or Mrs Moore to discuss.

Kind regards,

Mr Nutman

Head of KS4
