Tuesday, October 01, 2024

Dear Parent / Guardian,

As we move into an important time for our Year 11 students at Holy Family Catholic High school, I would like to outline some of the key interventions and strategies which have been put in place, to help students develop in all areas and ensure the very best outcomes.

We have a wide variety of intervention sessions for students, both during and after school. We strongly encourage students to attend these sessions, as they are organised and run by subject specialists, who will help strengthen a pupil's subject knowledge and develop the skills needed to gain the very best outcomes at GCSE. Interventions are available to all students, but subject departments will also be targeting specific pupil who require further academic support. We expect students to attend intervention sessions when directed by teachers. This will help to build confidence, address gaps in knowledge and secure good progress moving forward.

Please see below our intervention timetable for 2024-2025. This can also be found on the [school website](#).

Days	Year 11 Intervention – Week A 3.15pm-4.15pm	Year 11 Intervention – Week B 3.15pm-4.15pm
Monday		
Tuesday <small>Late Bus</small>	Maths Lunchtime – Art	Food / ICT / CS / RE Lunchtime – Art
Wednesday <small>Late Bus</small>	English Lunchtime – Art	Geography / History / Drama / Languages / Technology Lunchtime – Art
Thursday <small>Late Bus</small>	Science	PE / H&S / Business / Dance / Music
Friday		

I hope your child recognises the benefits and utilises everything on offer this year. If there are any barriers stopping your child from accessing the academic support available, please contact myself or Miss Harris to discuss.

Kind Regards

Mr Nutman
Head of KS4
