20th December 2024

Dear Parents/Guardians,

We have booked a day visit to Liverpool John Moores University, on Friday 10th January, for a tour of the facilities of their Health Sciences Department some activities related to Health Science.

We are asking all students who study Medical Science to attend and this is also open to a small number of pupils who don't study Medical Science but are interested in degrees in this area.

We would like students to make their own way to the Town Hall on Castle Street in Liverpool City Centre for 9am on Friday 10th. From there, we will walk the students to the Health Sciences building on Tithebarn Street. Pupils will be finished by 1pm and will then be expected to make their own way home.

Hopefully this will be a chance for them to see the facilities, get a taste for university life and ask questions about degrees that are offered by their health sciences department.

Yours Sincerely

Mrs G. Beddow

Head of Sixth Form
