Monday, 02 November 2026

Dear Parent/Guardian,

On Friday 6th November, Year 12 students are invited to attend Liverpool John Moores University, for an Open Day. The day will consist of lectures, a tour of the campus, including accommodation and taster sessions

Students will be expected to make their own travel arrangements to and from the University, meeting outside Lime Street Station at 9.30 a.m. Activities will be based in the John Foster building on Mount Pleasant and will involve walking around the campus.

The itinerary is planned to finish at 1.20pm and students then are free to purchase lunch or to make their own way home.

Yours faithfully

Mrs Gill Beddow
