Dear Parent/Carer,

Firstly, thank you to those who have paid the balance for the upcoming Barcelona trip, can I please ask that any outstanding payments are made asap on Scopay.

We have incurred some additional costs over the last few months whilst organising the trip and we have been mindful to try and keep costs as close to the original one outlined as possible, however we are unable to cover the cost of transfers to Manchester airport without some additional funding. We are therefore asking for a £25 payment to cover the cost of the coach from Holy Family to Manchester airport and back again. We will set this up on Scopay today. Finally, there will be a tourist tax and room deposit to pay when the students arrive at the hostel. We ask that 30 euros (please make sure this is in euros and not pounds) is given to their group leader in an envelope with their name on upon arrival at the airport, so that we can sort this swiftly upon check-in. They will receive 10 euros of this back if their room is left in good condition at the end of the stay. I apologise again for these increases in cost; it is out of our control unfortunately.

Please feel free to contact me with any queries
