

Search MyMaths onto Google and
the first option should take you to
this page

A screenshot of the MyMaths login page. The page has a dark blue background with a light blue border. It contains two input fields: 'School username' with the text 'holyfamily' and 'School password' with the text 'tangent162'. The password field is highlighted with a yellow border and has a small icon of a crossed-out eye to its right. At the bottom left is a circular button with a question mark, and at the bottom right is a green rounded rectangular button labeled 'Log in'.

School username

holyfamily

School password

tangent162

?

Log in

It will then open this page

[Teacher Dashboard log in](#)

Here is where you type in your personal login (three number username then three letter+three number password)

If it opens like this, press this button

The screenshot shows a 'Teacher Dashboard' with a dark blue header. On the right side of the header, there is a search bar with the placeholder text 'Search...' and a magnifying glass icon. Next to the search bar is a button labeled 'My portal login' with a user icon. These two elements are circled in blue and highlighted with a yellow glow. Below the header, the main content area is titled 'Number'. On the left, there is a sidebar menu with items: 'Add subtract mental', 'Add subtract written', 'Counting and place value', 'Calculators', 'Decimals', 'Estimating and accuracy', 'Fractions', 'Money and finance', 'Multiply divide mental', and 'Multiply divide written'. The 'Add subtract mental' item is highlighted in light green. The main content area displays a list of resources under the heading 'Number facts and doubles 1'. The first item is '1 Number facts and doubles 1' with a description 'Knowing pairs that add up to 10. Sums and doubles up to 5.' and two buttons: 'Lesson' and 'Homework'. Below this are several other items, each with a circled number and a title, such as '2 Number facts and doubles 2', '3 Number facts and doubles 3', '4 Number facts and doubles 4', '1 Number bonds to 20', '2 Number bonds', '1 Counting on and back', and '1 Counting on over 10 and 20'. Each item has a monitor icon and a chevron icon on the right.
