

Performance Data

Class of 2023

Firstly, I am delighted to report that our GCSE outcomes show the proud achievements from all our pupils in an inclusive school. Holy Family was, once again, one of the highest achieving schools in Sefton. As a school, both governors and staff are extremely proud of these fantastic achievements. This is as a direct result of high-quality teaching and dedication from both students and staff. The results were even more impressive considering the disruption to learning the Class of 2023 have endured due to Covid. However, as a proud Catholic school we also believe that these results are also due to exceptional pastoral care and the truly inclusive nature of the school.

KS4 Attainment
