YEAR 11 WORK EXPERIENCE ROUND-UP

This is just some of the fabulous feedback we received about our pupils.

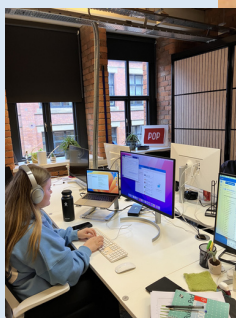

"She has been absolutely amazing, thrown herself into it, used her own initiative and gone above and beyond. She will make a brilliant nursery practitioner in the future if that is what she decides to do."

"B was fantastic and a credit to the school. He worked hard and enjoyed helping the children in their PE lessons & after schools clubs. I am hoping for B to join me when he is 16 to help work on my busy sports camps. He really impressed me."

"I am just emailing to say how fantastic G has been. She has been in my class for 3 days this week; she has shown a mature and sensible attitude, even when we have had to deal with difficult situations, and she has engaged well with all of the pupils and really helped us and fitted in with class."

"S has done extremely well. He has been a pleasure to have on site and hopefully he will apply for an apprenticeship in the future."
