Dear Parents/Guardians,

We are pleased to inform you that our students have the opportunity to attend an **Apprenticeship and University Fair** at Anfield Stadium on **Tuesday, 15th October 2024**. This exciting and informative event will give students the chance to engage with a wide variety of universities and apprenticeship providers, helping them explore future career and education pathways.

This is a fantastic opportunity for students to gather crucial information about apprenticeships, and the application process, enabling them to make well-informed decisions about their future.

Please note that students will be required to make their own way to and from Anfield Stadium. We ask that they arrive promptly at **10:20 am and should be finished by 2pm**. Students should bring a packed lunch and dress in smart-casual attire, as this is a professional event.

We encourage all students to take advantage of this unique opportunity to engage with apprenticeship providers, as it will provide them with valuable insights and guidance for their future pathways.

If you have any questions or require further details, please feel free to contact us.

Kind Regards

Gillian Beddow
