Travel tips – money

All living expenses are included in the cost of the trip except lunch on the first day. (Can you please ensure that your child brings a packed lunch with them.)

You can however furnish your child with extra money for a drink or an ice cream in the theatre or perhaps to buy a few Christmas presents at the Markets. The amount you wish to give is at your discretion but staff can not take responsibility for this.

Travel tips – packing

The weather in London at this time of year is often cold and wet. We will be walking around London. As such, I recommend that students pack the following essential items for their tour:

A warm coat

Hat

Scarf

Gloves

Lots of layers that can be removed during workshops and activities.

Comfy shoes

GCSE Specification

GCSE Drama component 3 requires that ALL GCSE students must watch live theatre. They are also required to write a 32 mark question in their final exam at the end of year 11.

To gain practical knowledge from professional practitioners in industries related to their chosen subject.

A nighttime photograph of a city street, likely London, with illuminated buildings and streetlights. A large red semi-transparent overlay covers the left and center portions of the image, containing text. On the right side, there are five rounded rectangular buttons with a dotted pattern, each containing a question or statement. The bottom-most button is a solid red color.

We will set up a Whatsapp messaging service to keep in touch with each other whilst we are away.

There will be two chat groups. One for the pupils to chat amongst themselves and an official one for information only. Pupils must not write on the official chat unless it is important or an emergency.

Please make sure you have filled out the handouts before you leave so that we can confirm the medical requirements, dietary needs, emergency contact details and any information you would like to pass on to ourselves before you leave.
