

Remember
we
learned:

Year 1 – The Uk.
Name of the four
countries in the Uk.
Simple compass
directions.

Year 2

**Locational
Knowledge
The World**

Later, in
Y3, you will
learn:

The 8 compass
points.
UK regions and
cities.

Understand:

1	name and locate the world's seven continents.
2	name and locate the world's five oceans
3	identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles
4	To recognise Europe and name some of the closer countries to the UK.
5	Use simple compass directions and locational and directional language to describe the location of places on a map.

Can you remember?

What are the four countries in the UK?

What are the four compass directions?

Year 2 retrieval questions

1. What are the continents/oceans called?
2. Can you locate the continents/oceans on a map?

Enquiry Question - Which continents are likely to be hotter/colder? Why?
