

Remember
we
learned:

EYFS – features of
Blackpool
Year 1 – settlements.
Physical features of
land. Man made and
natural features

Year 2

Human and Physical Geography City, town and village

Later, in
Y3, you will
learn:

How we often built
settlements around
rivers

Understand:

1	Understand different sizes of settlements.
2	To know human features of different settlements.
3	To know physical features of different settlements.
4	To be able to compare London in the UK with a non-European city
5	To understand that different places in the world have different weather patterns.
6	Understand different sizes of settlements.

Can you remember?

What are some features of our town?
What is the difference between a human and a physical feature?

Year 2 retrieval questions

1. Which is bigger? Blackpool or London?
2. Match features to the correct settlement.
3. Which city is more likely to have a monsoon?

Enquiry Question - How is Delhi different to Blackpool?
