

Remember
in Year 2,
we
learned:

- EYFS - Blackpool vs London
- Year 1 - Blackpool holidays then and now
- Year 1 steam engines were invented
- in Britain;
- Year 1 Blackpool's first railway
- station opened in 1863
- Year 2 - Victorian Blackpool

Year 3

Local History

Blackpool transport over time

Later, in
year 4, you
will learn:

Blackpool
Entertainment

Understand:

1	I know where on transport timeline different modes of travel were invented/first used– trains, trams, buses, cars, aeroplanes bicycle, horse and cart (linking to Blackpool).
2	I know how the use of the train impacted on tourism in Blackpool.
3	How the tram system in Blackpool has changed over time leading upto the development of the new station at Squires Gate and Blackpool North
4	I can research the heritage trams in Blackpool and compare to trams used today
5	I know how buses have developed over the years.

Can you remember?

Who invented trains?

Year 3 retrieval questions

Who invented the tram?

How do the Heritage Trams differ to electric trams of today?

How old is Blackpool Train Station?

When was Squires Gate

Tram terminus built and completed.

When were the new trams introduced at Blackpool?

Enquiry Question – Would you prefer to travel on a tram of today or a Heritage Tram?
