My Child At School

Starting this term, we are now using My Child At School for wrap around care clubs, school meals and dinner money, after school interest clubs, school trips, messages and much more.

Thank you to parents/carers who have created a My Child At School account. If any families haven't received details about how to register, please email the school office.

App Problems

We are aware there have been a couple of issues this week, particularly with the App when trying to make advance bookings for breakfast club and online payments. The problems are in the process of being corrected by the My Child At School technical team and they hope to have these resolved quickly. In the meantime, accounts accessed via a web browser seem to be working without any issues.

If you have any queries about My Child At School, please contact the School Office.
