Year 4 Take Action!

After watching a feature on BBC Newsround, children in Year 4 just knew they wanted to help.

Newsround told the stories of two disabled children who are unable to play in their local playground because they do not have access to suitable equipment, which supports accessible play.

<https://www.bbc.co.uk/newsround/64188342>

One of the children in the report is a very active fundraiser and decided this was going to be his next appeal and launched a Just Giving page.

<https://www.justgiving.com/crowdfunding/captaintobias>

With the support of Mr Thorpe and Mrs Weatherall, one of the children made a special collection box and the class started fundraising.

We are very proud to announce Year 4 raised over £70.00 which has been donated to the appeal. Read all about it via the links above.
