Food For Life Award

From September 2023, our school meals menu will be changing. The Trust's Catering Department have redeveloped all school menus. Our new menus will be even more healthy and nutritious, using even more fresh produce from Red Tractor certified British Farmers.

From the start of the new academic year, children will be able to choose between two hot meal options, with either a dessert or fruit. The changes do mean that sandwiches and meal variations will no longer be available*. Please take a look at the new menu on our website.

If you would like to change your child's current meal preference to or from school meals, please email the school office before the end of term. Thank you.

*Food allergies will be catered for

The Mini Vinnies have been busy this week. They collected and counted the money in the red Mission boxes from each class.

Thank you to everyone who donated, the

boxes have raised over £50.00.

There will be another collection in September.

Forest Fun

Year 1 had a really fantastic trip to Hamsterley Forest. They had a special forest workshop, made some dens for little woodland friends and were very brave on the giant playground.

Preston Park & Butterfly World

Year 2 also had an amazing trip this week. They held a Caterpillar, visited the reptile room and even had chance to visit the playground and played some games.

YEAR 6

Year 6 have had such an incredible day. We hope families enjoyed the children's special assembly and games on the field afterwards, it was lovely to see everyone. During their last afternoon they had fun with their buddies in Reception Class and had their shirts signed by friends and teachers.

We would like to wish every member of Year 6 the best of luck and we really hope they enjoy secondary school.

*'Until we meet again
May God hold you in the palm of His hand'*

Wishing all families a lovely Summer.
