 - 3-digit by 1-digit
- Count up/down in hundredths.
- Write equivalent fractions
- +/- fractions with same denominator.
- Read, write & convert time between analogue & digital 12 & 24 hour clocks.

HOLY FAMILY RC
PRIMARY SCHOOL

Year 4

This booklet provides information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child please talk to your child's teacher.

History/ Geography Topics this year:

Au Romans

Spr Ancient Egypt

Sum Anglo Saxons & Vikings

Uk & Europe- mapwork

Volcanoes & Earthquakes

Recycling

All Year 4 pupils in the country are tested at the end of the school year on their multiplication tables. It is therefore really important to practice times tables at home this year. Times tables Rockstars is the online game we have bought for pupils to use at home but other methods are just as effective with some children.
