Careers Week

Monday 27th March - Friday 31st March, 2023

We Need Your Help!

As part of our PSHE curriculum, we are wanting to hold an Aspirations Week for the children where they can learn about a wide range of jobs and careers they may wish to do later in life.

We really want to inspire our children to reach and achieve all the dreams they may have for the future. We would love for the children to have the opportunity to listen to some of our amazing parents talk about the different jobs you each have, and answer some questions from the children.

If you feel this is something you would like to be involved with and you are available on the dates above, please could you get in contact with me on Class Dojo?

Many thanks

Miss Dove
