

PSHE Curriculum Vision

Holy Family Catholic Primary school believes that a strong PSHE education is important to help every pupil to strive to be the best that they can be. Our aim is to develop each child's self-confidence, identity and values as an individual. We believe that through practical activities, open discussions and real-life experiences, our children can develop the necessary skills to achieve this.

Our pupils and staff treat each other with kindness and mutual respect. We are reminded each day to, '...follow in His footsteps...'

The needs and interests of all pupils, irrespective of gender, culture, ability or aptitude, will be promoted through an inclusive and varied PSHE curriculum at our school. We endeavour to do this as a family community where Jesus is at the centre.

It is our hope to prepare our children to grow into inspiring adults who will grow in harmony living in a diverse and multicultural society.
