***May the simple things of life,  
that bring us such joy and peace,  
inspire us to care for our world,  
and share creation's gifts with all people.***

***Amen***

### **Monday's assembly**

Jesus is the Son of God. But the people he had grown up with could not accept that Jesus was special. They did not believe in him.

Sometimes when we know someone really well we can forget how special they are. It can be hard to see past all the things we know about them, to what they are really like. And sometimes we forget how special the things that we do are, because they just feel ordinary to us.

### Work over the Summer holidays

We are delighted to let you know that significant work will begin within the grounds of Holy Family School over the Summer holidays. This will mean that the paths, some drainage and some fencing will be replaced. Unfortunately, this also means that some of the trees will also be removed so that this work can take place. We have been assured that the work will be fully completed by September!

# HEALTH AND SAFETY

## **No Nuts at Holy Family School**

Here is a friendly reminder that our aim is to be a nut free school – both in the building and on the school grounds. Please support school with this for the benefit of children with serious nut allergies.

## **Scooters and Bikes**

Once the children have gone through the school gates they must **dismount and walk with their scooter/bike**. This is to keep everyone safe.

## **Our school playground**

Before and after school the playground is unsupervised. If children play on this equipment they **must be** supervised by their parents.
