We follow in Jesus' footsteps

Dear Parents

As I walked through school this morning it felt very quiet and strange. I did however feel uplifted by the beautiful messages and pictures on the wall of many of our children - the staff and I miss them all so much and are looking forward to the day when we can begin to rebuild our wonderful school community.

His Holiness Pope Francis invites us all to pray the Rosary and speaking from the Library of the Apostolic Vatican Palace, the Holy Father said:

... I invite all the faithful to pray the Holy Rosary in this month together, within the family or on one's own....

May our Mother help us face the time we are going through with more faith and hope.'

All the staff at Holy Family School wish you all a superb week with your family - let's hope the sun continues to shine in Preston!

Take care everyone

School Reopening

The Governors of Holy Family have made the decision to remain closed until 8th June and only then based on certain measures being met. Nothing will be placed before the safety of our pupils, their families and staff.

We will post more information the week beginning 1st June, on our website and via emails.

Howdy folks!

I hope you are all ok - I'm really missing seeing all of my school friends and I hope you are keeping safe by playing in your own back gardens.

Firstly, I really must apologise for forgetting to send a message last week - my human mum had to take me to the V E T S as one of my floppy ears was bothering me. I think it was a pesky fly who might have sneaked in there and consequently I had to be given an injection and cream. This made me feel a little queezy and so I couldn't see the keyboard very well!

Anyway I'm back to my usual self now so everything is cool.

Bye for now folks and keep going on the tapestry!
