### We follow in Jesus' footsteps

Dear Parents

I do hope you and your families are all keeping safe and well. It must be very difficult keeping your children safe within the home/garden all of the time although crucial for the safety of everyone.

I've really enjoyed looking through tapestry again at all of the wonderful teaching and learning that's taking place at home. Well done everyone and especially parents who are trying to juggle so many different things at the moment.

Of course life is very different for all of us at the moment and the staff and I would like you to know that if there is anything at all we can do to help make things a little easier for you then please do get in touch - we will do our very best to help if we can.

Wishing you all a lovely week-end and fingers crossed for the beautiful weather to continue - it really has been a blessing.

Take care and God bless

Mrs J Westray

Hi folks

I've got to say I'm really missing all of my friends from school and especially my early morning walks with breakfast club! I hope you like this week's photo of me – I do look particularly melancholy as I would really like to be back at work in Holy Family School.

Anyway, it's not all bad as I'm also enjoying some splendid walks in the sunshine with my humans.

Bye for now – woof woof woof

### Coronavirus Update

Stay at home to stop coronavirus spreading

Everyone must stay at home to help stop the spread of coronavirus.

You should only leave the house for 1 of 4 reasons:

- shopping for basic necessities, for example food and medicine, which must be as infrequent as possible
- one form of exercise a day, for example a run, walk, or cycle - alone or with members of your household
  - any medical need, or to provide care or to help a vulnerable person
- travelling to and from work, but only where this absolutely cannot be done from home

This week two new online learning resources were launched by the Government and BBC Bitesize.
