We follow in Jesus' footsteps

"I am gentle and humble of heart."

The message in this week's gospel is very comforting as it contains God's message of love and concern for all - we can then live out this message in our own lives too during this time of uncertainty.

This week in school

We have enjoyed another lovely week with our Key Worker and Year Six pupils. The Year Six children are working hard and returning to the required learning behaviours expected in school eg. active listening and staying on task. They are also particularly enjoying each other's company and we are certainly enjoying their company! Really well done Year Six!

Welcoming Year One

We are thrilled to be welcoming our Year One pupils on Monday 6th July at 9am. Our Year One staff are looking forward to hearing all about their adventures!

Holy Family school in September

We are currently extremely busy working through the most recent Government guidelines relating to opening school in September. We will be in touch soon to let you know how this will look. Please be assured that we will not compromise on safety for both pupils and staff.

We said goodbye to our Chair of Governors, Steph Dixon this week. Steph has been involved in school for almost 18 years, as a parent and on the Governing Body. It was a very sad occasion and we will miss her smiling face and positivity but wish her all the best for the future. A new Chair will be appointed shortly.

Howdy Folks!

Well I don't know about you, but I am more than ready for a good haircut! I don't quite look as tidy and I'm absolutely roasting as well! My fur is an absolute nightmare when I go out in the rain as my fur becomes incredibly frizzy - this is not the look I'm after. My human mum has the same problem too! I'm fortunate though that my roots are fine (unlike hers - haha)!

Keep reading and working through your times tables!

Bye for now

Elsie April Westray

New Uniform

We would love for all pupils to return to school, in September, in the new uniform but we understand that these last few months have been financially very difficult. To help with this, children may come into school in their old school uniform until October half term.

The Little Princess Trust

We have been made aware of this lovely charity .

This trust provides free real hair wigs to children and young people, up to 24 years of age, who have lost their own hair. If this is something that you can donate to with your 'lockdown hair' or a donation then please see their website at www.littleprincesses.org.uk

Coronavirus

Do not leave home if you or someone you live with has any of the following:

- a high temperature
- a new, continuous cough
- a loss of, or change to, your sense of smell or taste

[Check the NHS website if you have symptoms](#)
