We follow in Jesus' footsteps

Dear Parents

I do hope you are all fit and well and managing to enjoy the beautiful sunshine. As I walked through school today I reflected on this time last year. Who could have imagined the situation we all find ourselves in at the moment? The staff and I are very much missing the children - teaching them, hearing their news and sharing their joyfulness together as a school community.

As it is the special month of May, we remember Our Lady and follow the example she gave to us - she found courage and strength from God our Father. I am sure that Holy Family children will be showing their mums how much they love them through simple acts of kindness during this very special month.

Today a very small group of our Holy Family children thought about VE Day and the fact that it's the 75th anniversary. VE Day - or 'Victory in Europe Day' - marks the day towards the end of World War Two (WW2) when fighting came to an end. The children have made yet another banner for the community to enjoy as they walk by - see what you think when you are on your daily exercise!

Wishing you all a superb bank holiday weekend!

Mrs J Westray

Headteacher

Howdy folks!

Well what a week I've had! My humans have been taking me out for a walk in the morning earlier and earlier as my fur coat has been getting thicker and thicker. So, on Thursday my human dad decided to give me a hair cut – he tried his best I suppose but I think he should stick to his day job. What do you think? I'm feeling rather chilly now!

Have a great week at home and happy learning everyone!

Bye for now – wood woof woof woof

Coronavirus Update

Stay at home to stop coronavirus spreading

Everyone must stay at home to help stop the spread of coronavirus.

You should only leave the house for 1 of 4 reasons:

- shopping for basic necessities, for example food and medicine, which must be as infrequent as possible
- one form of exercise a day, for example a run, walk, or cycle - alone or with members of your household
 - any medical need, or to provide care or to help a vulnerable person
- travelling to and from work, but only where this absolutely cannot be done from home
