The Fourth Sunday in Lent

From the Gospel of John 3:14-21

Jesus said to his friend, Nicodemus, "The Son of Man must be lifted up so that everyone who follows him may live forever. This is how much God loves the world: he gave his only Son, so that everyone who follows him, will live with God forever."

Thoughts about school.....

This week has been full of joy! We have seen children hugging one another as they arrived in school on Monday, children smiling and chatting, lots of energetic playtimes and then tired children later in the afternoons!

The children have loved being back in school and for staff it really has been one of the best weeks, culminating with our Rainbow Day when we celebrated our return to school. Well done everyone for such a colourful, wonderful and fun day!

Stations of the Cross

All of the children have participated in the Stations of the Cross throughout this week. Stations of the Cross introduce children to Jesus' Passion, breaking it down into stages that they can reflect upon and remember. The Stations are more than the retelling of a story: they are a prayerful participation in the event that lies at the heart of Christianity - Jesus' crucifixion and resurrection.

Looking ahead.....

We know there remain many challenges and I think that one of the biggest over the coming weeks is to ensure that everyone in the community remembers the importance of adhering to crucial protective measures we have put in place. There certainly is a growing sense of optimism that we are hopefully on the road to a brighter future, we also know we can't relax too soon and that the measures such as social distancing at drop-off and pick-up times remain as important as ever. Many thanks for supporting everyone in our community with this.

New Behaviour policy.....

We have introduced a new behaviour policy in school, which can be found on our website. All feedback welcome.

Year 6 Parents evening will take place via telephone on Monday 15th March and Tuesday 16th March, all other year groups will be Monday 15th March and Wednesday 17th March between 4.30pm and 6.30pm. Please note that the teacher's number may show, on your phone, as no `No caller ID`.

Please do not use the staff car park when dropping off and collecting as it is not safe to do so and access for deliveries is required at all times.. The church car park can be used.

Coronavirus - important information

COVID 19 - Please would all parents/carers be reminded that if someone in your household has symptoms of Covid, the whole household should isolate whilst a test is taken, and the result received. Your child should remain at home and not attend school during this time. If the result is negative, then the pupil can return to school. If it is positive, please contact school immediately. Thank you for your continued support.

Health and Safety

We have taken many precautions to protect all the children and staff for the return to school. Our pupil risk assessment can be found on our website which details what measures that have been put in place. Please note the following:

- One way system for pick up and drop off, entrance to school is the gate by the staff car park and exit by the gate nearest nursery.
- Parents/Carers must not enter classrooms
- Only one parent/carer to drop off and collect
- Please respect other parent/carers whilst on the school site and outside the school premises with social distancing precautions
- Parents/Carers to wear masks whilst on the school grounds
