Happy Easter and welcome back! The children have happily returned to school and it is wonderful to watch them arriving in the morning smiling and often running! The joy of Easter is certainly alive in our school as the children enjoy each other's company and work hard throughout the school day.

The importance of our Holy Family uniform...

We are constantly striving to improve our school in every way possible and always emphasise to the children that every child represents our school. The importance of wearing the correct school uniform, sensible school shoes and a smart hair cut is central to this. Please can you support by checking your child as they leave you in the morning.

Please can extreme hair-cuts be left for the summer holidays .

**This week's assembly.....**

Just as St Joseph protected the Holy Family when he was on earth, today in heaven he continues to care for all families, including God's worldwide family - the Church. Pope Francis has said that we can learn from St Joseph how to be caring, humble, faithful, and listen carefully to God and each other. The children have thought about who can we care for day to day in our families and in our school.

His Holiness Pope Francis issued the Apostolic Letter Patris Corde on 8th December 2020 to mark the beginning of the Year of St Joseph which runs from 8th December 2020 until 8th December 2021.

**This week's prayer for you to enjoy....**

Joseph, by the work of your hands and the sweat of your brow, you supported Jesus and Mary, and had the Son of God as your fellow worker. Let us pray for all who work with patience and perseverance for God, for us and for the benefit of everyone. Amen

### Coronavirus - important information

COVID 19 - Please would all parents/carers be reminded that if someone in your household has symptoms of Covid, the whole household should isolate whilst a test is taken, and the result received. You must have a PCR test if you display symptoms as Lateral Flow Tests are only to be used if asymptomatic. Your child should remain at home and not attend school during this time. If the result is negative, then the pupil can return to school. If it is positive, please contact school immediately.

Thank you for your continued support.
