#### Dear Parents

We hope you and your families are fit and well as we approach the end of another week. It's really important for you and your children to keep in touch with school, especially as the great majority are working remotely at home. Mr Gregory in Year four has held a zoom session with the children in his class this week, which was enjoyed by all! This is something each teacher will now do over the coming weeks, as we know that the children will miss the contact they usually have with their friends.

This week has been particularly interesting, as we have had an extremely constructive conversation with Ofsted about remote learning.

#### THIS WEEK'S GOSPEL

In Sunday's Gospel as Jesus walks beside the Sea of Galilee, he sees fishermen working hard on their boats. Jesus then asks Simon, John, James and Andrew to follow him, and they leave everything behind to become Jesus' friends.

#### A PRAYER FOR YOU TO ENJOY

Dear Jesus

You called ordinary people like fishermen to become your closest followers.

Thank you for reminding us that you call all sorts of people, people just like me, to be your friends. Amen

#### REMOTE LEARNING

Please do check out the Remote Learning page on the website where you will find our Remote learning Offer.

#### Laptops

Please email [bursar@holy-family.lancs.sch.uk](mailto:bursar@holy-family.lancs.sch.uk) if your child requires a laptop for remote learning. We have some donated laptops that we would like to distribute to families.
