Reception - Harry

Year One - Olenka

Year Two - Aniela

Year Three - Ollie

Year Four - Olivia

Year Five Lena

Year Six Julia K

**Lent through a Lens winners.....**

People - Hannah, Year Four

Wildlife - Alessia, Year Five

Plants - Matthew, Year Three

Thank you to everyone who has submitted the most beautiful photographs. We are looking forward to running this event again!

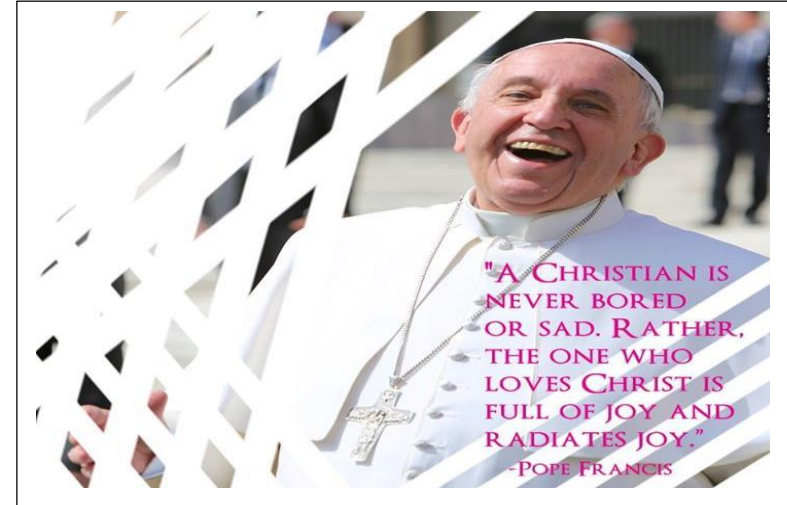

**This week in school.....**

The children have guided us through the events of Holy Week and Easter this week through their worships - these have been beautiful and very meaningful. We hope you have enjoyed them too! Many thanks to our extremely hard-working staff. On Tuesday all the children and staff marked the anniversary of the start of the country's first national lockdown by observing a minute's silence to remember those who died of COVID-19. We also gave thanks for everyone who has contributed to this effort through their work and home learning.

**And finally.....**

We believe each and every child can achieve great things when school and parents work closely together. We continue to strive to challenge, serve, guide and inspire your child to grow in the image of Christ - something we can only achieve with your help and support.

Wishing you all a happy and holy Easter.

#### **Mount Everest**

In year 2 we have been learning about Mount Everest so we decided to climb the 8,848 metres in school. We used a variety of steps and every single child pitched in with this team effort of determination and endurance. Well done everyone! Further details and photographs will be posted on the website.

### Important

Please remember, you need to tell school if your child has Covid-19. If your child shows symptoms of Covid-19 within 48 hours of the end of the school term, or tests positive for Covid-19 having shown symptoms within 48 hours of the end of school, you should report this to school immediately by texting 07423 174675 and a member of staff will phone you back.

Staff will be on hand to notify any other pupils in your child's bubble and their families so they can self-isolate for ten days.

It's vital you tell us about positive tests so we can help prevent the spread of coronavirus in our community.  
Thank you for your cooperation.

### Star Awards

YR - Lilly & Grace  
Y1 - Millie & Aron

Y6 - Antoni

### KS1 Milk

Milk payments are now due for next term. Please make payments online using your Scopay account.

### PTA

Thank you to the PTA for giving each child an Easter treat.

### Restrictions on travelling abroad - Easter holidays - guidance from Lancashire county council

- Whilst the stay at home restrictions are in place, people are only allowed to travel abroad if they have a legally permitted reason.
- It is illegal to leave home without a reasonable excuse. This means that, all returnees to the UK must book two PCR tests (for day 2 and 8 on their return) before they are allowed to travel back to the UK for PCR test and returnees must either quarantine in the place they're staying or in a managed quarantine hotel for 10 days when they arrive in England.

In light of this guidance, anyone who travels abroad during school holidays will need to evidence negative tests on return.

### Health

**Headlice** - please check your child's hair regularly, further advice can be found on <https://www.nhs.uk/conditions/head-lice-and-nits/>

### Car park

Please do not use the staff car park when dropping off and collecting as it is not safe to do so and access for deliveries is required at all times.. The church car park can be used.

### St Joseph's Day

We raised £120.65 on St Joseph's Day which will go to Cafod.
