Dear Parents

We are all really looking forward to seeing all of the children on Monday. We hope that the children are excited about returning to school and are looking forward to Monday as much as we are.

I want to reassure you that it is completely normal for the children to feel anxious and unsure at this time, as it is yet another change to their routine. It has been so very difficult adapting to the changes enforced on us as a society throughout this pandemic.

As adults we find change challenging and whilst children are resilient, sometimes, they find it difficult to articulate how they are feeling. This may result in changes to their behaviour. Please do let their class teacher know if you have any concerns, so that we can try to help.

As a staff we will do everything we can to provide a lovely warm welcome for them on Monday and plan to provide extremely wonderful lessons (as always) so that the children quickly engage back into their learning.

Our first celebration will be on Friday 12th March when we will have our "Rainbow Day" - further information is on our newsletter. Throughout the coming weeks we will be journeying through Lent together and will try to make this time special and unique for the children in readiness for the most special celebration of Easter.

Very best wishes to you all

Mrs J Westray
