

# Summer Newsletter

## Year 1

I hope that you and your family have had a wonderful break over the Easter holidays and that the children are ready for their final term in Year 1! I cannot believe how quickly time has flown! I know they will continue to amaze us as we continue to learn new and exciting things.

The Year 1 Team is:

Mrs Callagher - Class Teacher.      Mrs Clifford - Teaching Assistant.

Miss Juntunen will be teaching on Friday afternoons.

**Reading books** ~ Your child's reading books will be changed on Tuesdays and Fridays, with a focus on the sounds which they have covered in their phonics lessons that week. In the reading record, there is space to record comments about how your child has read, including words which they might have struggled with. They should be able to read the book independently sounding out unfamiliar words. Please aim to listen to your child read as often as possible.

We will have some volunteers coming into school most days, so please can you ensure your child has their reading book in their bag as much as possible.

**PE Days** ~ Monday and Wednesday. Please make sure your child always has their full PE kit in school, as we may change the day due to the weather (and we will be going outside even if cold and windy). Indoor PE kits include a white t-shirt, blue shorts and black pumps. Outdoor PE is a longer jumper and longer bottoms. Please ensure the children's PE kit includes their names.

**Drinks** ~ It is getting warmer and therefore it is essential for your child to bring in a named bottle filled with water each day. These will be topped up throughout the day. Fresh fruit is provided daily but children are free to bring in their own fruit snack if they wish.

Please do not hesitate to contact me regarding any concerns or queries about your child's education. My email is [r.pearson@holy-family.lancs.sch.uk](mailto:r.pearson@holy-family.lancs.sch.uk).

Mrs Callagher and the Year 1 Team.
