

Year 3

Spring

Newsletter

Welcome back Year 3! We hope that you have had a brilliant and exciting break and your children are looking forward to coming back to school ready to learn. I am looking forward to seeing how they flourish and grow as the year goes on.

PE Days

Our PE days for this term will be on a Monday and Thursday.

Please make sure your child always has their full PE kit in school. This should include trainers and appropriate clothing for outside.

Reading

Reading is a window to another world! Please support your child in developing their reading fluency, understanding of vocabulary and love for reading by reading regularly with them at home. Your child is expected to read at home each day. Please record their reading in their Reading Record and ensure it is brought into school. Books will be changed on Tuesdays and Thursdays.

Spellings

The children will learn spelling patterns throughout the term. We will have a big focus on high frequency words and common exception words. You can see a list of these on the Year 3 class page on the website.

Homework

Homework will be given on a Friday. This could be an English, Maths or a topic themed activity. This should be returned the following Friday.

Drinks Bottles

Please can all children bring a drinks bottle to school, to be filled with water. This can be refilled throughout the day as needed.

Times Tables

By the end of Year 3, your child is expected to know 2x, 5x, 10x, 3x, 4x and 8x times tables. This term we will have a big focus on 2x, 5x and 10x. We will be practising our times tables daily. It would be fantastic if your child could practice some of these at home. You can access Times Tables Rockstars to play games at home!

Please feel free to contact me with any questions you may have.
