

Outstanding Results for Holy Trinity School

Friday 8th July 2022

Issue 36

Message from the Headteacher

On Tuesday the Government published our End of Key Stage 2 Assessment results, and again we are celebrating some wonderful results. However, our success does not stop there and today I am sharing with you our Whole School data.

I strongly believe that all the creative cross curricular activities we participate in provide breadth and depth in our learning, which is reflected in our outstanding results. I have attached all the events that our children have participated in this year and I am sure you agree, there is a lot.

I would again like to thank all the staff for their hard work; for the parents who have worked in partnership with us; for the Governors for supporting our vision and particularly the children who have been amazing and have worked so hard, after all the disruption of the last two years. Please take time to read through the data. Many thanks and enjoy the weekend.

EYFS
