A Prayer for our value of Truthfulness

Dear Lord Jesus – You were the one Who said let the children come to me for of such is the kingdom of heaven.

I thank You for my children and the way that they are learning about You in their daily lives and ask that in Your grace they may grow in wisdom and integrity and understand the importance of honesty and truth.

Amen

Message from the Headteacher

It is good to be back in school after our 'snow day'. As you can imagine closing a whole school is a huge responsibility and one of the hardest a headteacher has to make. I would just like to thank all parents for their support and I hope it did not inconvenience you all too much.

We have had lots of illness in school this term. Can I remind all parents that if your child has been sick or had diarrhoea they should not return to school until they have had two days clear following their last bout. Thank you for your consideration in this matter.

Information on the Co-op bottle recycling overleaf.

We will be supporting the Salvation Army with their 'Recycle Michael' campaign, by filling bags they have provided with unwanted clothes and shoes. Further information will be sent out by the Junior Leadership Team in due course. We will send out the bags before half-term, but please do not send in the full bags until Monday 18th March, the collection date is Wednesday 20th March. Thank you for your support.

As a school we are working hard to foster a climate where regular attendance and punctuality are valued by the whole school community - teachers, parents and pupils. It is important that as adults, we help children understand the importance of being on time, and help them arrive at school for a prompt start to the day. All school gates and classroom doors will be open at 8.40 am and closed at 8.50 am. If you are unable to get to school at this time and need to speak to a member of staff please come to the school office and we will arrange an appointment for you to see me. We would ask for your continued support in ensuring children arrive at school on time.

Please can I ask parents not to allow their children to use the Pirate Ship before and after school. This is for health and safety reasons.

FLEX RECYCLING BOTTLE MACHINE

The machine will accept most PET plastic bottles, crush them within the machine and store them inside, until it is time to empty it; the bottles will then be recycled.

The Co-op have set a target of 10,000 bottles to be recycled through this machine and when that target is reached we will receive a donation of £250 for our school.

This machine is self-service and was opened on Friday 25th January. Thank you for your support.
