

## The Prayer

Father, thank you for the people who have been role models to me, and for their faithfulness to you.

Thank you for the ways they have shown me your face. And thank you also for those who are role models to children all over the world. Those who champion, love, care for and encourage children, bringing them closer to you and your kingdom. Inspire and strengthen each of them.

Amen.

## Message from the Headteacher

At the weekend, both the Key Stage One and Key Stage Two choirs sang at the Chipping Norton Music Festival in the junior choir category. Both choirs performed confidently and sang beautifully together and received encouraging feedback from the adjudicator.

Year One also entered the festival in the performance poetry category. One group entertained the audience with 'On the Ning Nang Nong' by Spike Milligan and the other group performed 'Smiling Is Infectious'. Both groups received 'Commended' from the adjudicator. A big thank you to Mrs Clay, Miss Hickman and Mrs Rickard for their hard work with the festival.

This week, all of Key Stage 2 were treated to a WOW day and visited the Harry Potter Studios. The children took part in workshops about costume distressing and 'The Art of Foley' (how sound effects are added to films). All the groups had a wonderful time seeing genuine sets and props and learning about film making.

The WOW Day was funded by our fabulous P.T.A. to whom we would like to say a massive Thank You from both staff and pupils.

As mentioned in the Newsletter dated 17<sup>th</sup> January, I have been monitoring late arrivals and letters have been sent home for persistent lateness. I would like to thank those who get their children in to school on time and for those parents who have reacted positively to the letters sent out. This has made a noticeable difference to the teaching and learning first thing in the morning.

A reminder that on Monday, Year 2 will be taking a St Patrick's Day assembly and on Friday Reception will be holding their assembly for Mothering Sunday. Parents of these classes are very welcome to attend.

Following Government advice, if your child has a persistent cough and high temperature, then they are to stay at home for 7 days. Please could I ask parents to abide by these guidelines.

Enjoy your weekend.

## Reception Receives a Visit from the Doctor

Jemima's mum came to talk to us about her work as a doctor, she showed the children how she uses some of her medical instruments. She also emphasised the importance of hand washing, she showed the children how a surgeon washes their hands and how the children should wash their hand after going to the toilet and before eating. All the children practised it. The children asked lots of questions and shared their own experiences of visiting the doctor.
