## The Prayer

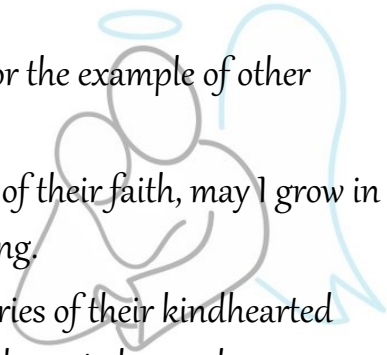

Dear God,

Thank you for the example of other Christians.

From stories of their faith, may I grow in understanding.

From the stories of their kindhearted deeds, may I learn to be good.

Amen.

## Message from the Headteacher

There was an excited buzz around the school on Wednesday for Science Day! The children were involved in a range of activities on the day including observing plant life in local areas (Years 2 & 5) and planning their own investigations. Reception and Year 1 investigated the five senses and Year 3 had great fun making and throwing paper aeroplanes. Years 2 & 6 planned and conducted a range of investigations and Year 4 used marble chips and a variety of drinks to learn about tooth decay. Great investigating, everyone! At the end of the day we were treated to an assembly from George McGavin, a renowned entomologist, who explained all about the importance of insects in our world. Do try to watch his latest documentary on BBC catch up - Oak Tree - Nature's Greatest Survivor.

On Wednesday we attended the CNS Athletics tournament for all the local schools, entering mixed boys and girls team from Year 4, 5 and 6. All our students displayed great passion and determination and all performing brilliantly in our events finishing 4th overall, a brilliant achievement.

I would just like to thank you all for the very generous contribution of flowers for the May Procession. They provided a bounty of colour and scent, giving a beautiful display in Mary's Garden. Thank you to our May Queen Olivia who performed the ceremony so well.

I would like to share some happy news, during the holidays Mr Kinahan and his fiancée, Daisy are getting married and on the return to school, he will be known as Mr Kinahan-Brown. I'm sure you would like to join me in wishing them a wonderful day and a very happy married life together.

Wishing you a restful half term.
