

## The Prayer

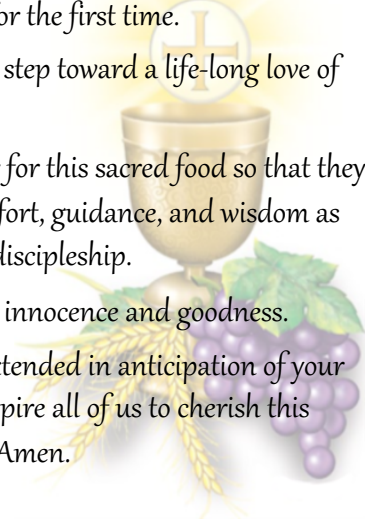

Lord Jesus Christ,  
bless the children coming forward to receive  
Holy Communion for the first time.

May this day be the step toward a life-long love of  
the Eucharist.

Give them a hunger for this sacred food so that they  
turn to you for comfort, guidance, and wisdom as  
they grow into full discipleship.

Thank you for their innocence and goodness.

May their hands, extended in anticipation of your  
body and blood, inspire all of us to cherish this  
sacred Sacrament. Amen.

## Message from the Headteacher

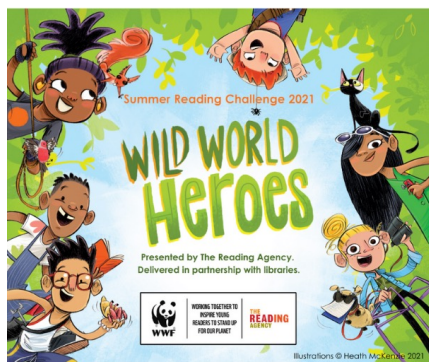

Firstly, I would like to wish our Year 3 and 4 children, who are taking their first Holy Communion on Saturday, a wonderful day. The children have been prepared by our Deputy Chair of Governors Pauline Brookes and I would also like to thank her for her time and excellent planning. Please remember these children in your prayers.

It was lovely to have our whole school transition day on Tuesday, and wonderful to see our new Reception children and parents. The children seemed to really enjoy spending time with their new teachers and planning for September. We still have some places in Reception, so if you do know anybody who is moving to the area please let them know we have places.

Year 6 have been working very hard rehearsing for their end of school production. Unfortunately, as with Sports Day, we can only have 30 spectators and the production needs to be outside. However, we are also recording it, so all parents, family and friends will be able to watch the production. Year 6 are also launching their entrepreneur projects. We have sent out details of their websites where you will be able to view and order the products that they are making.

Lastly, congratulations to Ruben in Year 3 who took part in 123ICT's Online Safety Comic Strip Competition. He was awarded a 'Commended' certificate for all of his hard work.

Get ready for Wild World Heroes Library Summer Reading Challenge, arriving online and in your local library this summer.

Join the Wild World Heroes for the Summer Reading Challenge and discover how you can make a difference to the environment too.

The Reading Agency in partnership with local libraries are teaming up with WWF for a very special nature-themed Challenge that will inspire you to stand up for the planet!

The challenge runs from Saturday 10 July to Tuesday 21 August. Children are being asked to read 6 books to help the Wilderville children make a difference to the environment. As they read library books, they will collect stickers for their folder. After reading 6 books they earn their certificate and medal. Children can read any library book of their choice; fiction, non-fiction, picture books or books they share with parents and carers – they all count. It is open to all children, free of charge and children can also take part online on the [Wild World Heroes website](#) to earn digital rewards.
