Dear All Parents / Carers

We are reviewing our Trust vision to better reflect our current values and plans and would dearly love input from children, staff, Governors, families, directors and Headteachers / Executive Headteachers.

It was heartening to receive such wonderful input into our Metacognition journey and what a good learner looks like and hope that you feel you can contribute to this important development.

I am pleased to be working directly with children, some staff, Headteachers / Executive Headteachers and Directors and believe, once we have had all the responses and discussions, we will be able to ensure that these changes reflect our current position and permeate through our schools.

The following Menti link/QR code which creates a word cloud is only open for 2 days but may be a quick way to respond! <https://www.menti.com/al8bkjfbz83n>

Otherwise and/either/or please complete the short survey by 7th July 2023.

<https://forms.gle/qR3zk6f1LUgpyPx77> Thank you. We have ensured that this is anonymous.

Thank you for helping us with these important considerations. .

Kind Regards,  
Charlene Gethin and Ralph.
