Dear Parents and Guardians,

As the Easter break approaches, I am writing to you with immense pleasure to celebrate what has been a truly positive and productive Spring Term here at The Howard.

It has been wonderful to witness the children's enthusiasm for learning across all year groups. From the exciting explorations in Class 1 through to the SATs revision and endless creativity in Year 6; our pupils have demonstrated remarkable engagement and a genuine thirst for knowledge.

Beyond the classroom, this term has been filled with a variety of enriching experiences. We were delighted by the success of our Easter Bingo, and trips to The Space Centre and Wall to name but a few. The Lichfield Gotta Dance show was also a real highlight.

These, and many other events, have showcased the incredible talents and collaborative spirit of our children. They continue to blow me away! The animation day with Leo Wright, a range of exciting sporting opportunities across the school and lots of time in our sensory garden have provided valuable opportunities for learning and fostered a strong sense of community within our school.

We have also continued to focus on our values this term, promoting kindness and respect, developing resilience and of course encouraging creativity. It has been heartening to see the

children embrace these values and demonstrate them in their interactions with each other and with the wider school community.

I would like to take this opportunity to thank our wonderful staff for their tireless dedication, creativity, and commitment to providing the best possible education and care for our pupils. Their passion and hard work are truly appreciated; it has been an amazing term. I have challenged staff to get the children outdoors and promote independence and they have all embraced this school development brilliantly.

Finally, thank you to you, our parents, governors and guardians, for your continued support and partnership. Your involvement in your child's education is invaluable, and we are grateful for your ongoing cooperation and encouragement.

We wish you all a happy and restful Easter break filled with joy and quality time with your families. We look forward to welcoming the children back to school after Easter refreshed and ready for another exciting term. Please ensure that your child returns to school with the correct equipment, plain PE kit and prepared for the warm weather we all hope we will be able to enjoy in the summer term.

Kind regards

Mr Wynn and Ms Jennings
