

# Summer Term 1 Curriculum

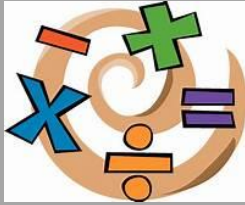

## English

This term, we will be exploring the Shakespeare play, "Macbeth." We will be creating poems, newspapers and narratives based on this famous play.

We will continue to explore a range of grammar devices through our English and develop our vocabulary through our reading texts. It is integral that the children read high quality texts, please use our list of 100 books to read in Year 5 and 6 to help you choose something new.

## Maths

This half term, Year 5 will be focussing on decimals and Year 6 will be exploring ratio and statistics.

We will continue with our Big Maths every Friday, children may bring these sheets home to look at mistakes or practice individual areas. We will be continuing to push our work on times tables and the use of Times Tables Rock stars to ensure we are fluent in all tables up to x 12.

## Geography

This term our focus topic is "Food and Farming"

Our National Curriculum focus will be:

- To describe and understand key aspects of human geography including land use.

## DT

This term we will be cooking. We will be learning and applying a range of skills to create 3 dishes.

## Science

Our focus this term is: Light

We will be covering the below National Curriculum objectives:

- recognise that light appears to travel in straight lines
- use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them

## PSHE

Our PSHE this term will be based around:

"Sex and Relationship Education."

We will also be using "Votes for schools" within our classrooms this year.
