

THE HOWARD NEWS

Greetings from the 'The Howard'!

December 2019

This term we have felt very Christmassy at the Howard Primary school. We have recently watched Class 1's amazing play – they have worked really hard. Last week, we held our first Christingle event at St. Peters Church. It was fantastic and Class 2 worked really hard!

We have raised money for two different charities. For Children In Need day we raised £96.10. Also, on Friday, we had our Christmas jumper day, we raised £59.00! We also had our Christmas dinner, thank you to our amazing chef Miss Osbourne, the food was amazing! We also had our Christmas craft day where we made our craft bags to sell at the Christmas fair – thank you to all the parents who came in to help.

We have had many sporting event this term which included our Quad Federation netball tournament which we won, well done to the team and our fantastic supporters. We have also attended the indoor athletics tournament at Rawlett - we came 3rd. Well done team!

This term we have had many exciting trips. Class 1 have been to the Snowdome in the winter wonderland, Class 2 have had Diwali Day at Richard Crosse and Class 3 have had a science day at Richard Crosse with the fantastic space wonderdome.

We have had an amazing time since the last issue and can't wait to see what next month has in store.

Merry Christmas from all of us at The Howard

Munro and Charlotte
