

THE HOWARD NEWS

Greetings from the 'The Howard'!

November 2019

Welcome back to the Howard!

Last term, we held a Harvest Service at St Peter's church, we donated food for the Tamworth Food bank and created art work for the church. Class 3 were so lucky and ended the half term with two orienteering trips – one to ST Marys and one to Cannock chase. It was so fun: we were split into groups and met new people and got so muddy.

We start the half term with Class 1 great achievements: Receptions excellent maths, PE with Stoke City FC and a geographical walk around the village. Class 2 have been up to just as much fun: bike ability level one, pen pals from Awoingt and their amazing Volcanos that they made. Y6 have been to the National Memorial Arboretum, Y5 went to Richard Crosse to do some art work and greater depth writing on WW2 and we all did bike ability level 2. School Council will be running this year's children in need event on Friday 15th November.

We have lots of fun things in store for this month!
