The Howard Primary School, Elford

Spring is in the Air!

We are certainly making the most of the lighter days and are trying to take our learning outdoors as much as possible.

At the Howard we love letting our creative side show. We have been learning how to use pastels in Class 2 and Charcoal in Class 3. We have taken their learning outside and created art pieces taking inspiration from the local area. Class 3 used pastels in situ and Class 2 became budding photographers, capturing the beautiful sunsets, ready to recreate with our new found pastel techniques.

Our children have loved being scientists and historians this term and have thoroughly enjoyed working scientifically, especially Class 2 who have been investigating pitch.

Our children continue to thrive in our outdoor Forest School sessions. We are even providing a free Parent and toddler Forest School session every first Friday of the month 2pm-3pm. Please join us if you can. Give Miss Moss a call for further details.

We look forward to an exciting spring term 2, when Class 3 will be performing at The Prince of Wales Theatre Cannock. Year 1 will conclude their learning all about Space by paying a visit to the Space Centre in Leicester and Reception will be making the most of our beautiful surroundings and links with the local community as they embrace their 'New Life' topic.
