

The Howard Primary School, Elford

It is lovely to see the weather improving and giving us a chance to get outside and enjoy our lovely school grounds. Here is a flavour of what we have been up to this term.

GREEN DAY

Our environmental day was a big success as we saw the whole school take part in a number of activities. Each child made a bird feeder for our forest school area using recycled materials. During the day each class also took part in a litter pick around the village. Pond dipping was also a big hit. The day also saw a cake sale where we raised in excess of £100.

JUBILEE DAY

Dressed in red, white and blue our children enjoyed a day of activities fit for royalty. The highlight being our afternoon tea party where, as you can see from the photographs, we were visited by some royal guests! An afternoon of skipping and fun races rounded off what was a truly memorable day.

GREENPOWER RACE DAY

Class 3 children have been involved in a racing car project since the start of the year. It was year 6 who had the task of building the racing car while children in year 5 had the responsibility of building the bodywork. Our 2 teams, Nemo and Galaxy, then travelled to Curborough sprint track to race against a number of other schools. A brilliant achievement by Nemo who took 3rd place in the slalom event.

COLOUR RUN

Our amazing PTA organised a colour run in order to raise much needed funds for the school as well as giving the children the opportunity to take part in an obstacle course colour run. As you can see from the photographs the children (and staff!) had an amazing time.
