

The Howard Primary School, Elford

We continue to go from strength to strength at The Howard. Along with lots of curriculum enhancing experiences, we were lucky enough to have a wonderful Outdoor Classroom day.

An AMAZING day was had by all at the official opening of our forest school and outdoor classroom. The children tried their hand at a range of activities including: making leaf garlands, fire making, autumn crowns, mud kitchen, den building, making bird feeders, pond dipping, clay leaf printing, creating a bug hotel and wormery

Our outdoor area, of which we are immensely proud, is the result of a lot of hard work and dedication by a number of people. These include parents, staff and a partnership with Transforming the Trent Valley. As you will see from the photo gallery the children had an action packed day full of smiles, teamwork and valuable learning. Thank you to everyone who made the day possible.

We are looking at developing our allotment and planting trees donated from the National Trust. We will then bury our Time Capsule which commemorated this significant year of Queen Elizabeth II's Jubilee and the sad end of her phenomenal reign.

We are now looking forward to our Christmas Festivities which include participating in the Christingle at St Peter's Church, our Christmas Craft day and the whole-school trip to Lichfield Garrick to watch their Pantomime.

From everyone at The Howard Primary
