

# THE HOWARD NEWS

*Greetings from the 'The Howard'!*

*February 2020*

*This month we have celebrated Chinese New Year, we made Chinese dragon masks, puppets and got to try a range of Chinese food. We all dressed in red, it was a fantastic day.*

*Each class has received new post from Awoingt, we are enjoying responding to our pen pals and learning about their culture.*

*Class 1 have really enjoyed their London topic, they even acted out the changing of the guard on the playground and have completed some amazing writing!*

*Class 2 have been learning about the local village in their Geography topic, they went on a local area walk and then have written persuasive leaflets about Elford.*

*Class 3 had an afternoon at Rawlett secondary school, we visited their DT department and had the chance to make chocolate brownies in the cooking rooms. We used the ovens and all the other baking equipment, had to do our own washing up and cleaned down all our surfaces. It was a fantastic experience and a good chance to see what the secondary schools are like.*

*That same day we also had a football tournament at Landeau Forte Academy, all of the team played brilliantly and were fantastic role models for the school.*

*Class 3 have also been busy working with Dr Allen on the car. It is resembling a car more and more each time and Year 5 have completed designing the body work.*

*Another busy month!*

*Phoebie, Faith and Miss Jennings*
